Dt. 05.10.2020

Sub:- Registration for admission to various classes (2021-'22)

Dear Parent,

Registration for admission to various classes (2021-'22) commences on October 10, 2020. Parents who seek admission for their wards at The Model School are requested to register the names of their wards as per the instructions.

As a matter of fact, admission cannot be guaranteed to all registrants as the registration may exceed the number of seats available. In such cases selection will be made on a lottery basis (KG classes) and on performance tests conducted by the school (all other classes). Allotment once made will be final, binding to all and no revision will be made thereafter.

All the registrations have to be made **online** through the school's web site: www.themodel.ae. **The registration link will be open from Saturday, 10th October from 7.00 a.m. to Tuesday, 20th October 7.00 p.m.** Applications submitted after the specific date, incomplete, showing wrong / incorrect information, etc. will summarily be rejected.

Please obtain the details from the website. For any other related information please contact 02 5527200.

Yours truly,

Principal
