Circular

Dt. 08.11.2020

Sub:- Term 2 / Midterm Examinations – Modification to the previous circular

Dear Parents,

As informed, the term examinations shall be conducted from 11th Nov. onwards. Please be informed that examination for the students attending Face To Face (FTF) classes will be conducted at school and the online assessments for KG classes & Gr. 1-9 will be conducted as per the schedule.

We are to inform that online examination for the senior classes (Gr.10, 11 & 12) shall not be conducted along with the FTF examination due to technical reasons. Another examination will be conducted separately, for those who are not attending examination, probably FTF examination when the situation is more conducive and in concurrence with ADEK's guidelines. However online students can practice with the given question paper during the time of the scheduled assessment ie. from 11.11.2020 onwards.

The enrolment for FTF examination shall remain confirmed. No changes shall be made in the list unless otherwise there are issues related to Covid-19 / medical issues.

Also please be informed that Covid-19 screening is not mandatory for attending the FTF Examination. But the positive cases / exposure cases etc. have to be reported well in advance for further guidance and arrangements of examinations.

Principal
