Dear Parent,

The academic year 2020-21 has been completed successfully and the plan for the next academic year 2021-22 is in the preparatory stage. We recognize and appreciate the support extended by the parents during the cumbersome period of pandemic in overcoming most of the challenges and to bring success in almost all academic attainment programs.

Please be informed of the following schedule related to students' annual assessment results, fee payment system, beginning of new academic year etc.

All parents are requested to make proper follow up for the smooth transition to the new academic year.

A. Result declaration:-

The results of the annual assessment will be published through the Schools web portal on Monday, 29th March 2021 (pls. visit www.themodel.ae). Failure in applying for TC will result in the registration of the child for the next academic year and the parent is liable to pay the fee for the next term.

Fee payments: As per the approved policy, the fee for the next academic year has to be remitted in three instalments as shown in the Appendix I. The fee for books, stationeries and other study materials has to be remitted along with the term-1 fee. It may be noted that the term 1 fee for Gr. 3-10 is inclusive of the IBT fee.

Mode of payment: The school accepts different modes of fee payments.
