SUBJECT: 'SCHOOL REOPENING AND REGULAR INFORMATION UPDATES'

Respected Parent,
Greetings from 'NIMS-Sharjah.'

We do wish that the children and the family are enjoying a smooth summer break. We are working on the mode of reopening customised for the grades following the guidelines of SPEA and based on the Parents feedback survey and you will be updated the details very shortly.

The school team is working on effective ministry approved processes and guidelines to provide a safe and secure environment for all our students and employees when the school resumes after the break.

We have all experienced the need and impact of instant communication and updates in the recent times. As part of our initiative to keep all our parents and students constantly updated with all the latest information, guidelines and events, we would kindly request you on a priority to update and follow the school's various official social media channels. Please find the details given below.
