Dear Parent,

Greetings from 'NIMS-Sharjah.'

Ministry of Education (MOE) invites you to participate in a survey aimed at highlighting the importance of teachers and identifying the best practices in supporting their pioneering role in our society. In light of the technological advancements in the education sector within the country and the challenges faced by the world due to the COVID-19 pandemic, there have been significant developments in the teaching and learning disciplines. We are witnessing the great efforts and sacrifices made by teachers in order to adapt to the changing requirements of this era. We also acknowledge their pioneering and inspirational role in shaping our future generations.

We value your precious opinions and suggestions on how we can work together to support our teachers in the best possible way.

We kindly request all parents and students of Grade 5 and above to submit your valuable suggestions through the survey link:
