CIRCULAR

NIMS/ SHJ/ EDU/036-08/21

Date: 24/08/2021

Dear Parent,
Greetings.

Thank you very much for submitting the survey responses on your preferences of the learning mode and we are happy that a good number of students have opted the face to face mode.

In continuation to the circular we issued on 19/08/2021 with regard to the Mandatory PCR test for students, please be reminded that a PCR negative certificate taken within 72 hours is compulsory for the students of age 12 and above when they report school on Sunday 29/08/2021.

We also encourage you to complete the vaccination for all the family members if it is yet to be done.

Regards

Principal
