KINDERGARTEN NEWS LETTER

APRIL 2023

Developing resilient and morally upright leaders who strive for excellence.

## Kindergarten

A good education is a foundation for a better future.

~ELIZABETH WARREN.

Dear parent,

Greetings for the new academic year!!

It's wonderful to be in touch with you again and share some highlights from April.

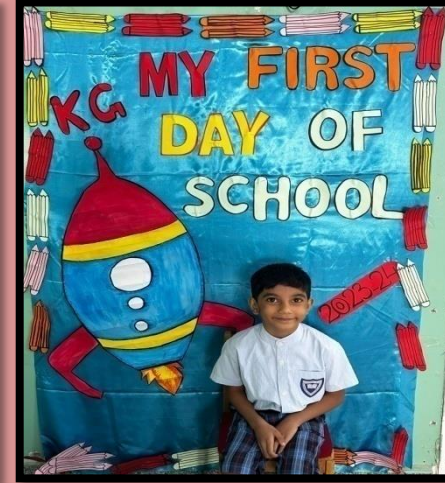

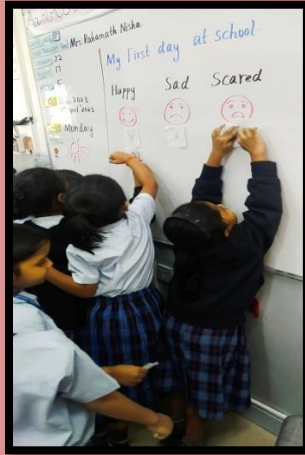

We are delighted to welcome our little stars to school rejuvenated, full of zeal and zest.

Communication in between the home and the school is essential to a student's success. I advise parents to regularly visit our school's website, use diary app, newsletters, and other media outlets to stay updated.

Cheers to reading!

Regards,

# FIRST DAY OF SCHOOL -11.04.2023

The most important day of a person's education is the first day of school.

It's time to impress everyone with your talents and hunger for knowledge.

Our new arrivals are welcomed with photo shoot greetings.

The kids had fun taking pictures at the photo booth on the first day and were entertained with many activities on the first day.

## SCHOOL SAFARI - 26.04.2023

All our children went on a school safari to explore the different places in our school campus and enjoyed the school safari to get to know all the important places. They met our Principal and wished him further support. They learned all the areas of our school and it is very important to know the importance of all areas.

# RAMADAN ACTIVITIES - 19.04.2023

During Ramadan, our children engaged in many activities and learned the important aspects of Ramadan. Children prayed, recited Quran, made eid cards, and shared their joy with pictures of family gatherings.

## SPREADING HAPPINESS - CHARITY DRIVE (17.04.2023)

"Every charitable act is a stepping stone towards heaven.  
Not all of us can do great things. But we can do small things with great love."

Our children spread their joy through charity.

Our kids brought many items and donated to our school's support team (helpers).

Our beloved Principal joined us to do this wonderful work.  
Children learned how to share and help through charity.

EARTH DAY - 27.04.2023

Earth day activities for kids and mothers!

It's the perfect opportunity to engage children in fun and educational activities that teach them about sustainability, conservation, and the importance of taking care of our planet.

On Earth day, all the children did class activities related to sustainability and the children brought potted plants to learn about the importance of earth day.

We'll share some creative and inspiring Earth day activities to make a positive impact on our world.

Many events are celebrated on earth day:

- ✓ Teachers did puppet shows on earth day about "STOP OCEAN PLASTIC POLLUTION" - Sustainable development goal no.14 "LIFE BELOW WATER"
- ✓ We organized a competition and awarded for creating art projects on the theme "Best out of waste" for the mother and child team on Thursday, 27<sup>th</sup> April'2023.
- ✓ Our children have made the assembly with the goal of sustainability. Goal no. 3- Good health and well being and also gifted potted plant to our beloved "Principal".
