Compassion in Action: How Our Students' Ramadan Charity Drive Made a Positive Impact!

We are thrilled to share with you the success of our recent Ramadan charity drive. Our school students came together to contribute items and distribute them to the hardworking laborers in our community. The students were able to experience the joy of giving and making a difference in the lives of others, which was truly inspiring.

This initiative was also an opportunity for our students to develop valuable life skills such as leadership, teamwork, and communication. They were able to work together towards a common goal, and the experience of organizing and participating in the drive will undoubtedly help them become more engaged members of our community.

Overall, the Ramadan charity drive was a tremendous success, and we are proud of our students for their compassion and dedication towards helping others. We hope that this initiative inspires our students to continue giving back to our community and making a positive impact on the lives of others.

Thank you for your continued support and involvement in our school community.

Inside the Minds of Aspiring Authors

Department of English of Nims Sharjah conducted 'Meet The Author 2023 -2024' on 25th April 2023, at the e-library. 'Meet the Author' is a programme that gives students direct access to authors who encourage and inspire us to “keep reading, writing & dreaming.”

10 students from grade 6-8 of the Boys' Section competed in the programme. The programme was felicitated by Hos of Boys' Section Mr. Abdul Hameed and Supervisor Mr. Abdul Jaleel.

Ink, Voice, and Melody: A Celebration of Islamic Arts

The Calligraphy, Qirath, and Nasheed competition recently conducted by our school on 25th of April was a tremendous success! Students from various grades participated in this initiative with great enthusiasm and showcased their talents with pride and confidence.

The competition was divided into different categories, and each category was judged by a panel of experts in the respective fields. The Calligraphy category was particularly impressive, with students displaying their mastery of Arabic script and creating beautiful works of art.

The competition was a testament to the talent and dedication of our students, and we look forward to seeing more such initiatives in the future.

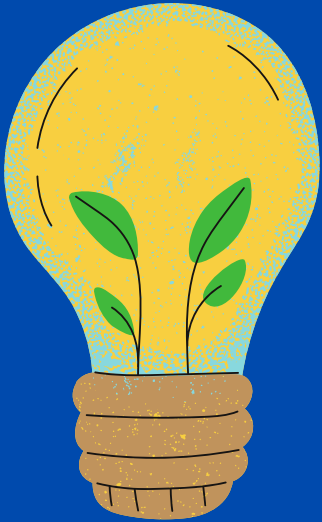

Thank you to all the participants, judges, and organizers who made this event a memorable one!

Our Planet, Our Responsibility: Celebrating Earth Day

The School observed 'EARTH DAY' with a special programme organized in the School E-Library. The event was organized by the Social Science department and was attended by all the UAE heritage club students.

The importance of the Earth day was highlighted through informative talks, thoughts and short video. Students performed songs, mime and group songs.

The School HOS, in his address, reminded the students of the importance to protect the earth .It can never be achieved without the support of the citizens of the world. There was a great deal of enthusiasm shown by the students as everybody appreciated the hands on approach and the learning aspect.
