MESSAGE FROM THE HOS

Dear Parent,

Albert Einstein once said, "Education is not just about memorizing facts, but about training young minds to think." Learning goes beyond the classroom walls and extends to various aspects of life. Let's remember to be creative and engage in activities that don't involve screens. Creativity involves asking questions like "How can I?", "Why should it?", "What would happen if?", "How can I make this?", or "How can I change this?" It's important to continuously encourage children to ponder such questions.

At NIMS Sharjah, we believe in providing ample opportunities for learners to develop 21st-century skills that will prepare them to face the challenges of the world, making them global citizens. Our aim is to foster creativity and enthusiasm in our students, enabling them to achieve the best possible learning outcomes. Our dedicated team of experienced tutors at NIMS Sharjah works collaboratively to guide and facilitate the learning process.

Let's remain hopeful and committed to this goal.

Wishing you all happy days, months, and years ahead.

"Shaping Futures: Unlocking the Potential of Behavior in our School's Dynamic Week"

"Embracing Positive Change: Empowering Behavior at the BMS Week Assembly"

The assembly during the Behavioral Management Week featured impactful skit performances, where students creatively showcased behavioral management scenarios. Students also took the stage to share their understanding of behavioral management, highlighting its importance and practical applications. The highlight of the assembly was the Head of School's thought-provoking speech, addressing the significance of behavioral management in shaping a harmonious school environment. The Head of School emphasized the power of positive behavior and urged everyone to embrace personal responsibility for their actions. Through skits, student insights, and the Head of School's address, the assembly aimed to spark introspection and inspire positive change within the school community.

"Golden Threads of Conduct: Embracing Positive Behavior"

Poster Making Competition showcased the artistry of behavior, where students creatively explored the realm of Behavioral Management. Through captivating visuals and thoughtful designs, they highlighted the power of positive change and the transformative impact of understanding and empathy. The competition fostered reflection, critical thinking, and effective communication, leaving an indelible mark on our collective consciousness.

"Exploring Behavior: A Quiz Retrospective"

We are proud to share the success of our recent Behavior Management Quiz held. Students showcased their understanding of effective behavior management strategies, promoting a positive school culture. They demonstrated skills in active listening, problem-solving, and empathy. Well done, students!

"Preserving Our Planet: Celebrating Earth Day"

A captivating assembly was conducted in honor of Earth Day, where students took center stage to educate and inspire. Through powerful speeches and engaging skits, they conveyed the significance of Earth Day and emphasized the need for environmental awareness and action.

Let us remember that the spirit of Earth Day should continue beyond this assembly. Together, we can make a difference and ensure a sustainable future for generations to come.

Bienven '23

We are thrilled to share the highlights of our recent Freshers' Day celebration . The event was a remarkable success, filled with an atmosphere of excitement and camaraderie as our newest students were warmly welcomed into our school community.

There was a palpable sense of excitement and optimism in the air. The Freshers' Day had successfully laid the foundation for a vibrant and inclusive school community, where every student feels supported and encouraged to explore their potential.

We warmly welcome our new students once again and look forward to witnessing their growth and achievements in the years to come.

"NIMS, SHARJAH SOARS TO VICTORY IN HOPE '23"

New Indian Model School Sharjah made an impressive mark at the HOPE'23 event hosted by Pace International School. Abdurrahman Mijan and his team excelled in the Mock COP category, showcasing their comprehensive knowledge and innovative solutions to combat climate change. In the Innovation and Sustainability Category, Rishan and Saed, along with their teams, presented remarkable projects addressing environmental challenges. The Digital Designing team, comprising Sriponmanikantan Muthuraman, Anandu Suma Vijayan, Zayd Zubair, and Mohammed Tahmid, emerged victorious, winning first place for their mobile app aimed at raising awareness about climate action. The school's participation demonstrated a deep commitment to sustainability and innovation, inspiring the entire community.
