I extend my sincere gratitude to the head of sections Mrs.AmeenaNaseer ,HM of KG section, Mrs. Usha Roy, HM primary, all teachers and staff for extending their wholehearted support in making the school's activities successful.

What I would like to stress here is that it is not only the special events, but what happens at The Oxford on a normal working day that is really significant. The effort we put into listening to

children, to parents and to each other; the thought, the discussion, the deliberation before we launch any new idea, the complete involvement of many, the appreciation of small and big acts... these are the things that make The Oxford stand out as a special institution among our equals.
