## ABOUT THE SCHOOL

We believe that education is a life long process and must develop from a firm and broad foundation. The goal of education is to instill in the students a love for learning and inculcate in them a desire to excel in every level. We also aim at equipping the students with intellectual and practical skills which are necessary to meet the inevitable challenges in the future.

### OUR VISION

The vision is the development of socially responsible, morally upright, emotionally balanced, intellectually competent and personally adjusted citizens of the new millennium who will uphold basic human rights and gender sensitivity and be worthy of heritage of our great Nation and efficient leaders of future.

### OUR MISSION

"The Mission of The Oxford School is to work in partnership with students, families & the community to ensure that each student acquires the knowledge, skills & core values necessary to achieve personal success & to enrich the community

### THE SCHOOL MOTTO

"We educate not for school but for life'. Life has become so complex and subject to frequent and rapid modifications that the child has to face novel problematic situations. The education in The Oxford School, with its special emphasis on Life Skills and Personality Development helps the child to get inspiration from the noble past, to live in the dynamic present and to face the challenging future.

## FROM THE PRINCIPAL'S DESK

Dear Parent

### Praise to the Almighty

A school is a miniature of the future society. It keeps expanding, evolving and also inspiring the society in a variety of ways. Enormous opportunities for the overall development of the child are provided and he/she is facilitated to use the incoming energy and information in the best possible way. Keeping this in mind, the activities are planned and formulated. The Oxford School is also no exception; in fact, we stand out in the crowd of the ordinary schools in that we educate the child for life.

As We stand on the threshold of the new academic year, we feel proud of the accomplishments that we have gained within this short span of time. The Oxford School has already become the centre of repute and credence owing to its world class infrastructure, plethora of activities, competent faculty and redefined curriculum. The buzzing classrooms with motivated learning situations and interactive methodology provide congenial atmosphere in developing the social efficiency, personal integrity, team spirit and resourcefulness of the Oxfordians. As we pass the half century mark of Indian Independence, let us remember our responsibility of socializing the child by inculcating in him appropriate values behavioural patterns and the knowledge so that he adapts himself to a democratic secular and egalitarian society.

We expect the same support and endorsement from our parents in this endeavour. We assure you value based and quality education in a global perspective. May God give us the sagacity and strength to make our each success a significant milestone in our path to excellence.

We expect your wholehearted support in translating our soaring dreams into a living reality.

With the best regards,

Principal

## Prayer

In the name of God, the merciful  
the compassionate  
All praise to God, who creates  
And sustains the world.  
His grace is unlimited, His mercy Infinite  
Master of the Day of Judgement  
We worship You alone  
And to You alone we turn for help.  
Guide us on the straight path  
The path of those whom You blessed.  
Not of those who went astray  
And incurred Your wrath.

## Pledge

India is my country and all Indians are my brothers and sisters. I love my country and I am proud of its rich and varied heritage. I shall always strive to be worthy of it. I shall give my parents, teachers and all elders respect and treat everyone with courtesy. To my country and my people, I pledge my devotion. In their well-being and prosperity alone, lies my happiness.

## FEE PAYMENT POLICY

An itemized statement indicating the details of all applicable fees payable for the full school year is sent to the parents at the beginning of the academic year. Parents have to acknowledge the receipt of this statement by signing the confirmation part of the statement and returning the same to the Class Teacher concerned.

Annual school fee are payable in four installments as follows:-

1st installment	Due date is 5th June
2nd installment	Due date is 5th August
3rd installment	Due date is 5th November
4th installment	Due date is 5th January

Fees will be collected on Monday to Friday from 08.00 am to 1.00 pm and 02.00 pm to 04.00 pm. (Saturday: 09.00 am to 1.00 pm)

Failure to pay the fee dues on time entitles the school to collect the entire fees in advance for the next academic year before commencement; of classes. Default of fee dues more than three times in a year could result in refusal to admit the student for the next academic year. Notwithstanding the above, a Transfer Certificate (TC) would be issued only after all fee dues are settled with the school.

## ATTENTION PARENTS

- 1. Students must attend classes regularly.
- 2. Students must log on to their classes on time.
- 3. Please check the daily lesson report.
- 4. Attend meetings without fail.
- 5. Parents must inform the class teacher if the child is absent for the day or has any health issue.
- 6. Students must avoid mushroom hair cutting.
- 7. Trim their nails at least twice a week.
- 8. Please do not allow students to eat snacks or play with toys during the class time.
- 9. Ensure that there is no disturbance when your ward is attending online classes.
- 10. Set up a study space with proper lighting where children are comfortable.
- 11. Please show patience with your child. This is something new for them too. They might be fidgety and restless but that is ok. Our teachers will be there to guide both you and your child.
- 12. Motivate your child to attend the classes in the same spirit as he/she attends school.
- 13. Parents should not intervene when the teacher is conducting the class.
- 14. If you have a concern or query, please wait till the class is over before you ask the teacher.

## MY PARENT'S PROMISE

- 1. Ensure that I log on to the device on time.
- 2. Ensure that I am regular and punctual to my online classes.
- 3. Contact the school heads/class teacher on the days of my long absence.
- 4. Ensure that I have breakfast and am 'ready for online classes'.
- 5. Communicate with my teacher on matters which may affect my day for online classes.
- 6. Read and respond to all communication sent through email.
- 7. Read and guide me as per the broadcasted communication from the teacher.
- 8. Respect and support all school rules and expectations.
- 9. Encourage me to become a confident writer and support him in his journey towards creative thinking.

## Development Stage

The curriculum we follow in the development stage is made up of seven vital areas of learning and development from pre-KG onwards. Every child receives enjoyable and challenging learning and development experience tailored to meet their individual needs.

Personal, Social & Emotional Development (PSED)

Physical Development (PD)

Communication & Language Development (CLD)

Literacy (L)

Knowledge & Understanding the World (KUW)

Mathematical Development (MD)

Knowledge Development (KD)

Skill Development (SD)

# The ABC's of

The Oxford

tender care

## Attendance

A successful school experience is the collective responsibility of my parent's, me and my school. My progress, both academically and socially, is influenced to a great extent by daily participation. Regular attendance without tardiness is the key. A minimum of 95% attendance is required for my promotion to next class so help me to maintain it.

## Assessment

I will be assessed informally throughout the year. This involves observing me at study and play and making notes about what I have achieved. These observations are communicated to my parents in order to involve them with my progress while receiving feedback about my achievements.

## Absence

If I am unable to attend school due to any reason, please write an application and inform my school about my absence and the reason for it. Please note that any absence more than a week needs to be approved by the school Head. If I must leave early, please go to the reception to sign me out and the supervision staff will call me to the office. Never send another person to pick me up without informing my school head. This is for my safety.

'Hope for the best, but prepare for the worst'

## BUS

I am expected to be at the bus stop before the arrival of the bus. I will not come near the entry door until the bus has come to a complete stop. Inside the bus I am ought to obey the bus monitor.

## Birthdays

Birthdays are special occasions to wear colourful dresses and distribute sweets to my dear ones and near ones.

## Co-operation

My parents should be co-operative with my school for the smooth and efficient functioning of the school and provide feedback and creative suggestions to the Principal as and when required.

## Courteous

My classroom is a small community where teamwork and good relationships are expected. I will spend time learning class procedures and practicing them. I am expected to act within my standards of behaviour, to establish good order and help me learn self-control. I will be guided to respect myself and my companions through specific directions, positive reinforcements and responsibilities.

*'People who live in glass houses should not throw stones.'*

Please place my school diary everyday on my bag and check it every day and are your sign it after reading It is a medium of communication between my parents and my class teacher.

Dad & Mom, you can contact the school head via email address: [oxfordtendercare@gmail.com](mailto:oxfordtendercare@gmail.com). If you need to discuss something urgently, please call the school reception and leave your message along with your contact number & they will get back to you at the earliest.

If the school is closed in case of any emergency, my parents will be informed via email, text message or over the phone. So please keep the phone in function always.

Friends make our lives so special. My friends help me a lot at school. I love to share my ideas with my friends.

## Field Trips

My school plans several field trips that are both fun and educational. My school may need parent volunteers on the trips. Please acknowledge & return the permission slips as soon as possible after they are being sent home through me.

## Free Flow Area

Free Flow Area is the area where independent learning skills are developed. It is the most happening area for me as I participate in games, competitions, lessons in art, craft, music & movement... the list goes on.

## Gardening

Creating environmental awareness is an absolute need of the hour. Therefore, I will be involved and encouraged to take up gardening with a view to "Go Green".

## Greeting

It is a great pleasure for me to greet my parents & teachers politely and with respect wherever I meet them.

## Guardian Teacher

My guardian teacher will provide scaffolding for my progress in all activities.

### Hands-on Learning

At The Oxford Tender Care I would be learning with fun and important concepts by doing meaningful hands-on activities. There are times when seat work is required and necessary, but for the most part, my classroom will be an active learning environment.

### Health

Mom & Dad please let the school know of special circumstances which may affect me. These could include medication that may make me sleepy or any allergies that I may have, especially food allergies.

After sometime I will be bringing home one book to read at home. This is a wonderful practice to build reading fluency and to reinforce the vocabulary that I have learned. This, for me a chance to "show-off" my developing reading skills to parents, relatives and friends!

## Illness

The question of when to keep me home from school is often a difficult one, especially when decisions has to be taken suddenly during the peak hours in the morning. It is important, however, to keep me home if I am ill. This helps to me to be more comfortable and prevents others from becoming ill.

Because I learn to read by reading, I need plenty of opportunities to read independently. Sufficient time and appropriate materials are necessary to develop and strengthen reading abilities. By giving me time to read both at school and at home, I can work together to provide a literature-rich environment and a life-long love for reading.

Don't forget to join us during our celebrations . Grand parent's day, Children's Day, Graduation Day, Annual Day .. list goes . Parent participation is important and very much valued.

In my classrooms I am encouraged and expected to treat all members of the class as well as others with kindness and respect. Bothering others, bullying and interrupting learning will not be permitted.

### Literacy Centers

During literacy centre, I am given practice on reading and writing skills while the teacher works with individuals & small guided reading groups. The center activities are designed to strengthen letter sound knowledge, listening skills, oral language expression, rhyme, letter formation and co-operation.

Money is difficult for me to handle. Please do not send any money through me. Hand it over to teachers or authorities in person.

Mum, if I need to have any medicine during school hours, please specify the time for administrating and the dosage in my diary and hand over the medicine to the supporting staff.

The newsletter will keep you informed about what is happening in my class, the skills I am learning, vocabulary, poems or songs to practice, special activities and upcoming events.

Parent/Teacher meetings are held at the school from time to- time during the year, This enables my parents to keep track of my progress and have their feedback on the same. You will also receive my report card at the end of each academic term and my teacher will discuss about my accomplishments, strengths and overall progress Additional meetings at any time throughout the year; with PRIOR APPOINTMENT, if the need arises can also be scheduled.

### Outdoor Learning

Outdoor learning complements indoor learning and is equally important. Playing and learning that flow seamlessly between indoors and outdoors enable me to make use of the resources and materials available for me, to develop my ideas without unnecessary interruption. Outdoor learning encompasses all that I do, see, hear or feel in the outdoor space.

### Parent Involvement

Parent's support in school activities makes me feel important and sends the message that you value school. I will be always happy to have your help for special activities in the classroom. My School will try to let you know at least a week ahead of time, if I need help through a note in my school diary. I hope that you can come and join in the fun.

Since I am new to The Oxford Tender Care this year, you may still have some unanswered questions. Please feel free to call the school from Monday to Friday or you can always write a note or else send a mail to [oxfordtendercare@gmail.com](mailto:oxfordtendercare@gmail.com)

We have a Reading Corner in our class room furnished with picture reading books, big books, simple fairy tales.. list goes on. This helps me to improve my vocabulary.

Swimming lessons will be conducted as per the schedule which will be sent to you via a note in my diary. Please make sure that I bring the swimming kit on the stipulated day and I am equipped with: Arm floats / tube floats/ swimming goggles/ beach slippers/bathrobe or a towel. **DO LABEL ALL MY ITEMS CLEARLY WITH PERMANENT MARKER.**

Shared reading is an interactive process. As the teacher reads a story, I will join on phrases or words that I know. During subsequent readings, I read more and more of the text, until I am able to read the story independently. Shared reading is an opportunity for the teacher to model conventions of print and the use of reading strategies.

*"The harder you work, the luckier you get."*

### Special Days

Mum, there are special days in my school such as flower day, fruit day...etc. On these days I can wear the relevant colour dress and bring the particular materials. My teacher would give ideas about those material through different activities.

### Supplies

I will be provided with following supplies marked with \* by the class teachers for the activities in the classroom & outdoor. \* Box of crayons \* Pencils \* Eraser \* Color Pens \* Glue stick \* Color papers \* Clays \* Paints and other art materials.

### Timings

My school begins promptly at 9.00 am. I should be dropped within the school premises by 8.45 am. Dispersal is at 2.30 noon. I should be picked up promptly.

### Toys

Bringing toys to school is discouraged because they distract me from learning. If a toy is accidentally lost or broken, my feelings will be hurt. So please avoid sending toys unless informed by my teacher.

## Uniform

Smartly dressed students make the school proud, Do send me neatly dressed in the proper school uniform (as given in the school diary) Girls must tie long hair and boys must keep their hair trimmed. Jewellery must not be worn to school.

## Unique

I have very modern school building with all facilities and a beautiful park, gym area, sand area etc, all in hygienic surroundings.

## Visitors

Strangers on campus cause concern and will be asked to report to the office. Remember; not everyone knows me.

## Website

Mum & Dad you may receive website links being sent to download worksheets for the activities for me to practice.

*'Still waters run deep.'*

X

I will learn that I am extra special and unique. I will have opportunities to describe how I am alike as well as different from others. I will share their culture and learn about different cultures within the class.

Y

Please remember that you, my dear parents are my first and most important teachers. No one can influence my life in the way that you can!

Z

Make sure that I get plenty of rest. Setting and keeping a bedtime is a wonderful gift you can give to me. It will help me to be alert and ready for new learning experiences each day.

*'Slow and steady wins the race.'*
