The latest news & information about the nurturing world of kindergarten.

SEP.-OCT. 2021

Message from THE PRINCIPAL

Dear Parents,

Sailing through the high tides has helped each and everyone of us face the challenges around with courage and confidence. I am happy that we all could rise to the occasion and could do things differently as time demanded and this newsletter bears witness to the various ways our students have adopted to showcase their talents and skills. The expectations of the present education system are the skill development of the students so that they will be competent enough to face the future hurdles easily. Exploring ways and means to learn new things and practise them in their day to day activities has enabled them to be creative and innovative. In addition to excelling in the academic activities, students have shown tremendous progress and involvement in the co-scholastic programmes conducted online.

We take this opportunity to appreciate the efforts of all students, teachers and parents in our journey towards greater heights.

May God bless you all.

Dr Abdul Salam
Principal

Learning nature in fun filled way....

"He who plants a tree, plants a hope"

Our little ones planted one in a piece
of paper and gave it life by color and
leaves.

“Smile like a monkey with new banana”

Kids are making memories to cherish
with Handprint monkey activity.

Picasso in the making...

My hearth bends like rainbow Colorful, Magical Beautiful...

Our kids made rainbow and counted raindrops
Tough call to decide which is more beautiful, kids or
rainbow.

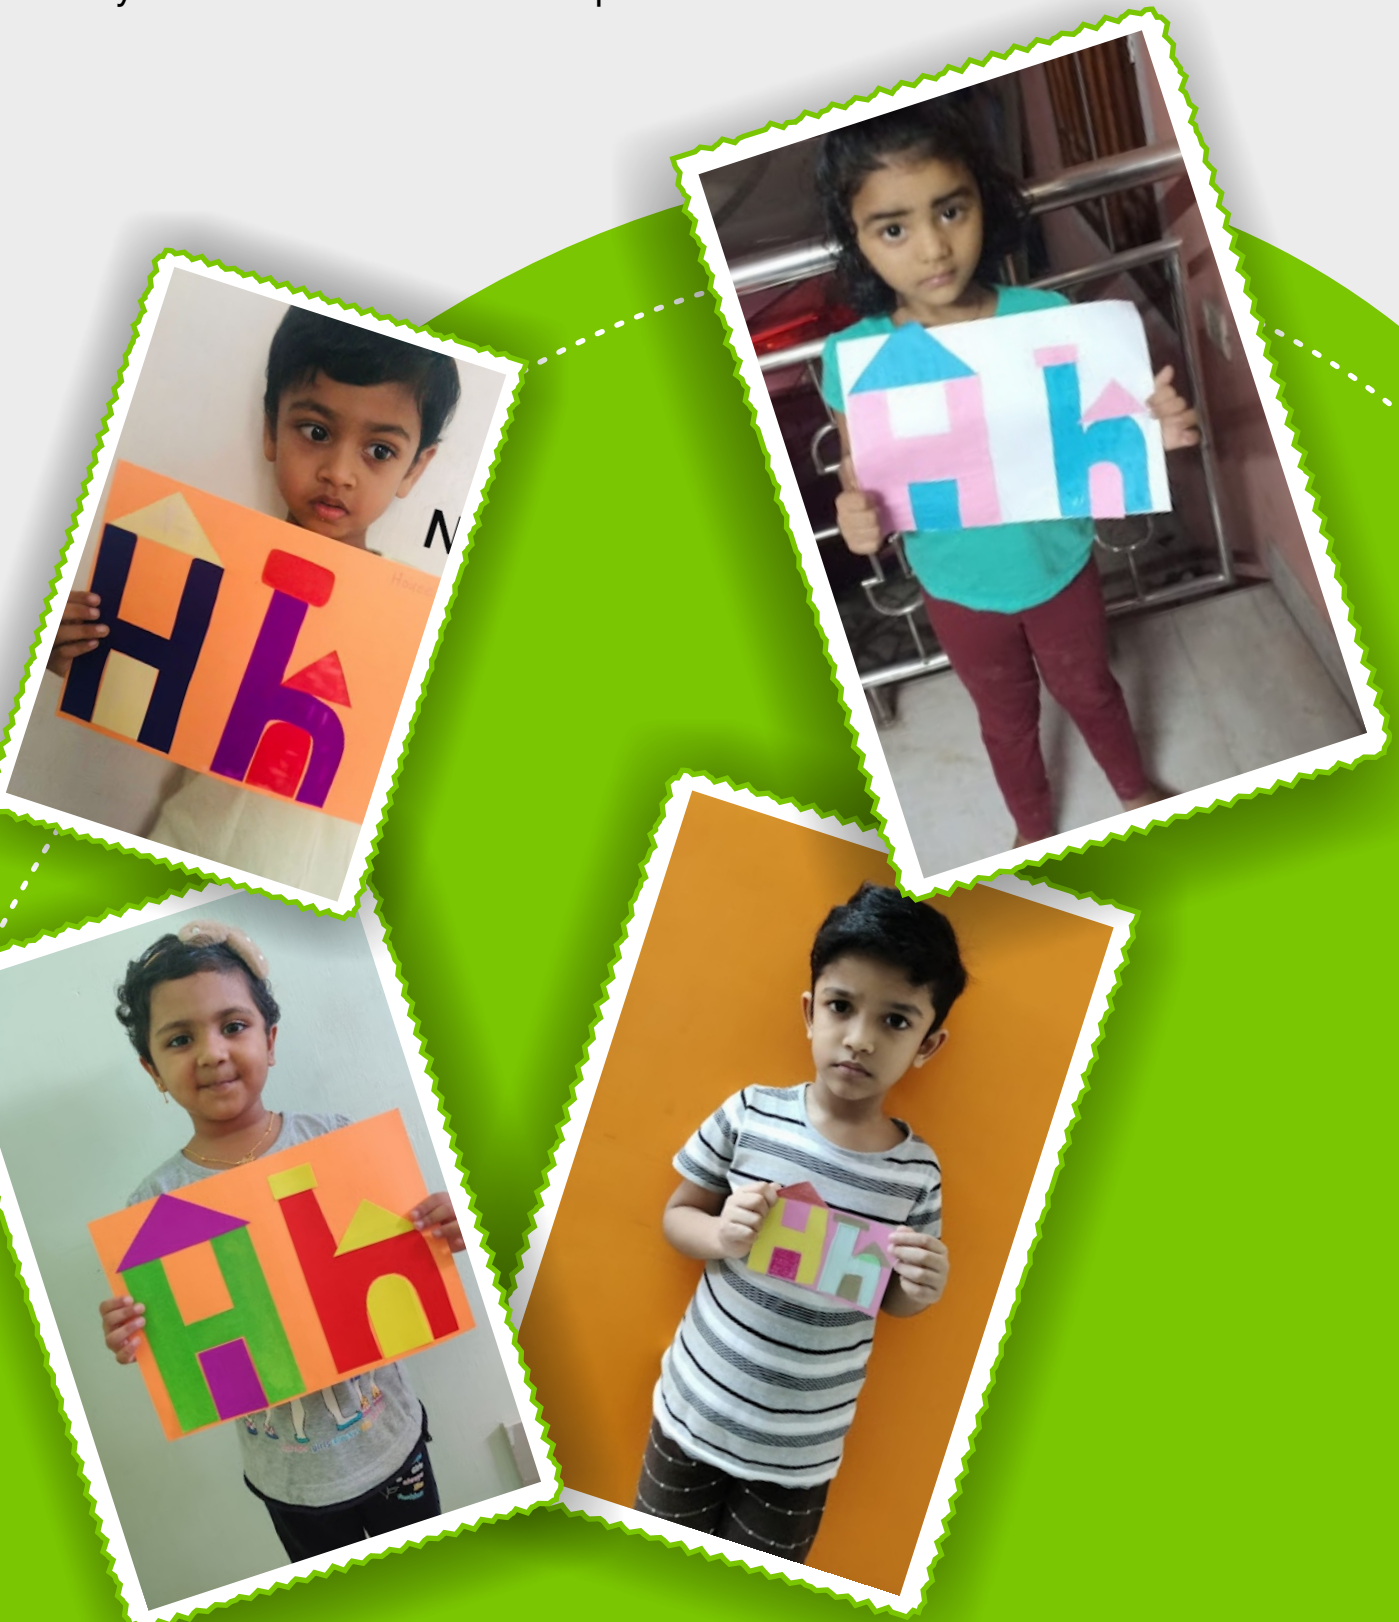

Creativity and perfection taking SHAPE...

Kids are learning shapes of things in the world
Not only they learned, they gave shape to various
things...

Home is where the story begins...

Our kids gave shape to home on a paper and made it lively with fun filled color and shape...

Play all day through learning

Jelly fish shines in dark, where as our little ones
shine always.

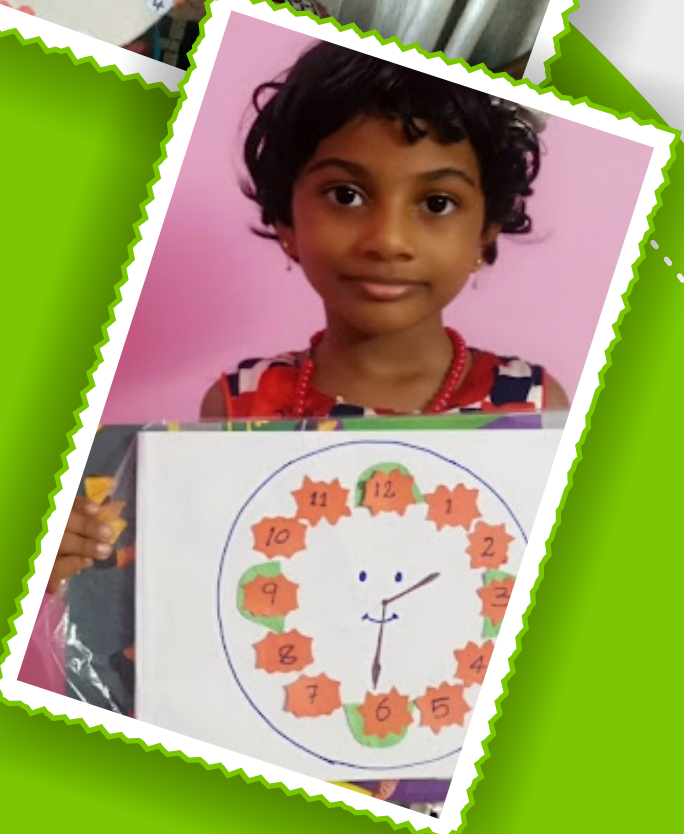

Chill-in like Penguins

Its hard to look at Penguin and be angry...
Our kids are no different.
Don't know if Penguins are cute, but our kids made them
look super cute in drawing.

Time & Tide waits for none

The bad news is- Time flies
The good news is – You are the Pilot
Our little ones are learning number while making
clock of time world...

Let's count & enjoy the popcorn

Mathematics – The subject in which the world runs on.
Learning to count while making pop corn
I wonder how it became pop corn!!!

Have fruits & veggies to have a fruitful life

An apple a day, keeps the doctor away
Our kids challenging 3D printers by molding and
carving shape of fruits and vegetables

Getting to know the Animals

Knowing the animals...

Who can resist any four-legged creation of God

Kids love animals of all shape and size.

They were fast to learn to differentiate between wild animals and farm animals.

Activity helped kids to get closer to 'Animal World'.

Teacher's Day Celebration

A teacher led the light to knowledge of life...
Teacher -The person, a child always cherishes and respect the whole life...
Tender care showered their love to teachers by various activities.
Kids filled the teachers day function with dance and photos.
Teachers Day celebration was safely conducted online in the midst of Novel Corona pandemic.

Numbers rule the universe

Learning number names.

Kids learned and wrote number names on dried leaves.

Be kind to every kind, not just mankind

Bio diversity is the term that describes the many different species sharing one habitat. Understanding what makes a species special and where and how it lives are important. If people are to learn to conserve and co-exist with wild life. Applies the knowledge of wild animals through snack craft activity.

Let us make the days count

The wheels made it very easy for kids to understand the days of the week. Through week spinner activity kids learned to spell and it was a great tool for kinesthetic learners.

Helps to know more about God's own country

Knowing God means knowing God's own country- Kerala
Kids enjoyed learning and presenting their knowledge of Kerala.

They presented their knowledge by sketch up on various things related to Kerala on state map, State bird, state animal etc.
The State flower depicted using pistachio shells were remarkable.

The world's finest wilderness lies beneath the waves

Knowing the world of water- Ocean

Excited by the beauty of world in ocean bed, kids learned about and gave it a life with canvas on paper.

Teaching word families is a wonderful way to help students recognize patterns in written languages while simultaneously becoming better readers!

“Play builds the kind of free - and -easy, try it out, Do -it-yourself the concept that our future needs”

Based on the fruits and vegetable's theme, kids were able to apply the usage of 'this / that', “on/under” to the fruits and vegetable's theme.

Play gives children a chance to practice what they are learning

An idle mind is devils workshop
An idle body is useless workshop

Fully energetic kids must engage in various physical activities for proper brain, bone development and growth.

Kids had fun playing hopscotch and dance on backward numbers.
