The Oxford School

Senior secondary, affiliated to CBSE Delhi-No 930819/
Kallattumukku, Manacaud P.O. Thiruvananthapuram - 9
Ph.: 0471-7112233, 2457797/98 Mob.: 9446057717

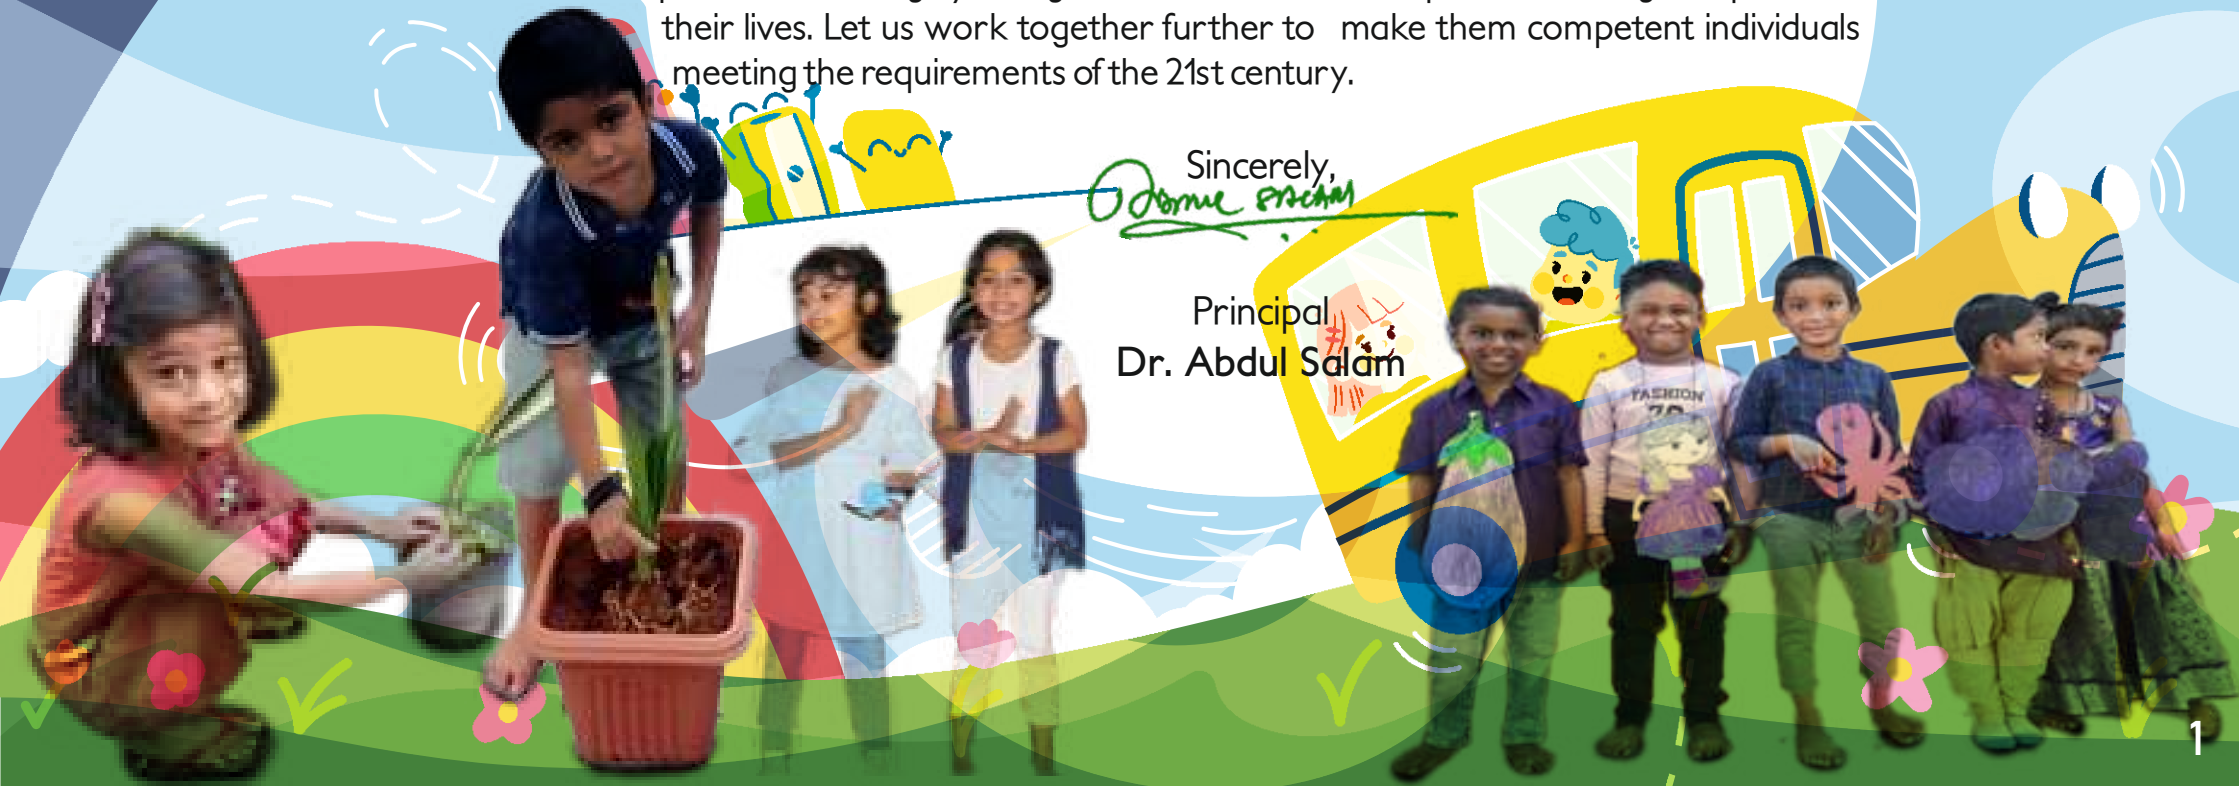

Learning should be a pleasant experience and the little stars of The Oxford School, Trivandrum learn through fun and fervour. The enthusiasm shown by the kids is the result of the joyful learning experience provided to them. The learning outcomes are wrapped up in the demonstrations of the knowledge of various concepts they learn in the classrooms. Their readiness to ideate, create and display is commendable, thanks to the combined efforts of the teachers and the parents in the learning process. Learning by doing enhances their skills required for being competent in their lives. Let us work together further to make them competent individuals meeting the requirements of the 21st century.

Sincerely,

Dr. Abdul Salam

Principal

Dr. Abdul Salam

Toddlers in Black 'n' White

Just like we cannot imagine a world without colours, a world without black and white is unimaginable too! Our Kindergarten learners celebrated the 'Black and White' day on Friday 22, July 2022. They were dressed in black and white outfits. They were shown different black and white objects such as white paper, black pen, white paint, black paint.

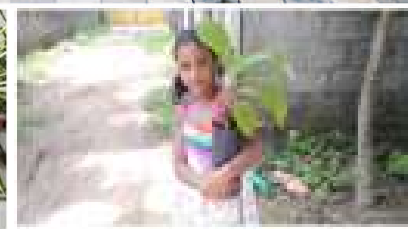

The Little ones were asked to name a few black and white things that they see in their environment and surroundings. Soft boards were displayed with "Black and White" like Penguin world, Football, Panda, Sheep, Dog, Chess, Animal kingdom, Musical Harmony etc. Rhymes related to the colours of black and white were sung. To enhance their speaking skills, kids spoke about objects and pictures related to the colours. Teachers told story with puppets. The moral of the story was unity is strength!

Love to breathe, save the trees

On Sunday 5th, June 2022, our school organized an awareness program on the occasion of World Environment Day. All the students of Tender Care have participated with full energy in the program. The objective of this program is to spread awareness among people about saving our environment from various types of pollution and to plant more and more trees to make our mother earth full of greenery. Kids planted saplings. The students also displayed their artistic talents in poster making.

Fun with colours

Our world is filled with colours. A very important part of learning in Kindergarten years is identification and recognition of colours, our little ones celebrated 'Rainbow day on 29th July 2022 starting with primary colours and followed by secondary colours, it culminated in the 'Rainbow Day'. Kids dressed up in white attire and had fun with their friends with colour splash and group paintings. They enjoyed a lot and made the day very special.

Learn green Live green

Everything around us is an array of colours. Green is the most common colour in the nature. Think of nature and see green in all its glory expressing renewal, life, and energy in order to teach our children about the uses of colours in their immediate environment and to help them develop an understanding of green colour in many forms,

The Oxford School Tender Care conducted an assembly on June 24th. All the students and teachers came dressed up in the different shades of green and the rumpus area became vibrant with the beautiful green backgrounds. The Assembly was conducted by KG 2B. The programme began with prayer and continued the programme with the pledge and thought of the day. To develop sensory experience Vedhika Vishnu did an experiment for the colour green. Teachers asked them riddles related to green veggies and fruits. Children participated well and learnt green colour with keen interest.

Elegant Purple

OXFORDIANS

The Oxford school tender care conducted an assembly on July 15th at the school auditorium. The purpose of this day is to make the little kids aware about purple colour. Purple the colour that represents the future, the imagination and dreams, spiritually calming the emotions was thoroughly enjoyed by our little ones. All the students and teachers came dressed up with purple colour and the rumpus area became vibrant with the beautiful purple colour backgrounds. The Assembly was conducted by KG 1B.

To develop sensory experience Advik of Kg1 B did an experiment of purple colour followed by Mohammed Ihsan narrating a beautiful story and introduced purple colour things. Teacher's asked them riddles related to purple coloured things. Kids had a story time with puppets by the teachers.

As part of purple day celebrations, KG 1 kids made purple flowers in paper plates using bottle and KG 2 kids made purple colour grapes using clay, which helped the students understand the purple colour. Purple day celebrations prompted the young ones to think how colour enhances and influences our lives. It turned out to be a remarkable day filled with fun and enthusiasm.

Learn the colours of life, optimism and power

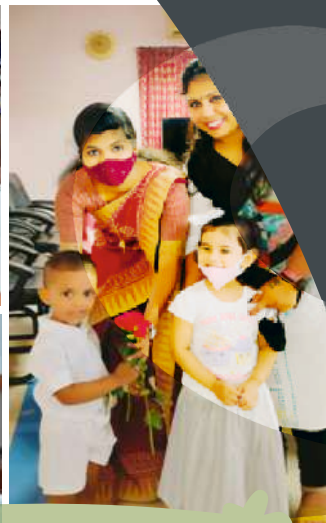

Colours play a vital role in the world in which we live. Colours can sway thinking, change actions and cause reactions. As a powerful form of communication colour is irreplaceable. Green is the colour of life, renewal and energy. Yellow is the colour of optimism, glory, sunshine and happiness. Red is powerful, renewing, energizing and donating. we celebrated yellow, red, green colours day together on 8th July 2022.

All the students and teachers came dressed up in yellow or red or green. The Assembly was conducted by KG 1 C. To give a visual treat, the teachers presented an interactive colour wheel game.

To the Doctor, with love

The Oxford School celebrated National Doctors Day on 1st July 2022 to pay tribute to all doctors. Students of KG 2 A conducted a special assembly on Doctor's Day to highlight the importance of the day and spread awareness about the role of doctors in our lives. Ms. A.K Geetha, the Section Head welcomed the chief guest and Principal Dr. Abdul Salam addressed the gathering. Dr. Sulthana Ancy, BAMS was the chief guest. She interacted with the kids and gave a beneficial message about the importance of hygiene, obedience & punctuality in day to day life. Kids showed their gratitude towards Doctor's through beautifully designed 'Thank you card' and she was very happy to receive it from them and as a token of love our school gave her a memento. The kids made stethoscopes as part of the activity. Children actively participated in the celebration and thanked all the Doctor's who are working relentlessly for humanity.

Yellow Day with My Sunshine DAD

Yellow day was celebrated along with Father's day on 17 th June 2022. Shades of yellow stimulated the little ones with happiness, energy and optimism. Father's day is an occasion to express gratitude towards dads for all their support, care and love. Yellow day was celebrated with an objective to recapitulate and reinforce the effects of yellow colour.

The motive of celebrating the yellow colour day was to make children aware of yellow colour, its significance and to develop fine motor skills among the students. A day dedicated to the yellow colour was marked with children dressed in yellow. Children also brought yellow objects to the classes to make it a complete yellow day. Focussing on the significance of father's day celebration, children individually made gifts to their fathers. Tiny Tots made hand print cards, KG 1 kids did beautiful crafts and KG 2 kids made yellow greeting cards for the same which helped students understand the importance of father's day, kids spent the day with utmost enjoyment.
